

Tennessee Childhood Lead Poisoning Prevention Program Publications Order Form

University of Tennessee Extension partners with the Tennessee Department of Health to provide statewide education, outreach, and materials for TN CLPPP. All of the publications below are available FREE. They may be downloaded at <http://tiny.utk.edu/leadpoisoning> (at the top of the page under “Brochures and Publications”) or can be ordered as hard copies, in quantity, to be mailed to you, free of charge.

To order publications, please complete all information. Email form to:
BONNIE HINDS – bhinds@utk.edu – 865-974-8178.
